**ARMED FORCES DAY
SHOW YOUR SUPPORT**

About

Armed Forces Day is a national event that takes place on the last Saturday each June.

The event is a chance to show support for the men and women who make up the Armed Forces community: from currently serving troops to Service families, veterans and cadets.

The Littlehampton event was first held in 2008 on Caffyns Field but its popularity meant that it needed a larger venue so it could grow and accommodate the big crowds. It has been held on the seafront greens since 2009.

The unique combination of land and aerial displays has led to it being one of the largest and best attended Armed Forces Day on the Sussex Coast. It draws thousands of visitors from not just the local area but further afield such as Brighton, Newhaven, Portsmouth and London.

Programme

The event starts with a formal parade and service and is followed by a relaxed family fun day with a military theme. It attracts **dozens of enthusiasts** with their fascinating military vehicles and displays.

A **charity fair** takes place within the event where **uniformed groups** raise awareness of their services and fundraise. Activities range from **interactive experiences** with military items and vehicles to assault courses. Entertainment takes form in spectacular **arena displays** such as motorbike stunts and **military re-enactments**, as well as military bands. The highlight of the event in 2024 will be a BBMF flypast (subject to MOD availability).

Screen on the Green

**Saturday 17 August (TBC) 2024 ,
19:00 – 23:00, East Green, Seafront**

About

The event started in 2014 with the aim of providing residents and visitors with a unique outdoor cinema experience for free. It was meant to be a one-off but it was unexpectedly popular, attracting over 6,000 people. Due to the popularity it became an annual event.

A 40ft inflatable screen with a powerful sound system is set up on East Green with film goers bringing their own chairs, bean bags and even sleeping bags to enjoy the evening under the stars.

As the event is free and for families, the movies shown must be PG with musicals being very popular. The public is given the opportunity to suggest films early in the year before the top three suggestions are put out to public vote for the final movie to be chosen. This creates huge engagement and participation.

Programme

The event starts at 19:00 when caterers open up their stands and film goers begin to arrive. The movie is shown after dark, normally starting at approximately 20:30, and the event is launched by the **Mayor of Littlehampton**. Sponsor adverts are shown on the screen for approximately 15 minutes before it starts. The film is subtitled to ensure everyone can enjoy it including deaf people.

Catering is available throughout the event.
