## Littlehampton Town Council Grant Aid Policy

**Littlehampton Town Council is committed to improving, strengthening and empowering the community.**

The Local Government's Act 1972, Section 137 states:

*"A local authority may incur expenditure which in their opinion is in the interests of, and will bring direct benefit to, their area or any part of it or all or some of its inhabitants..."*

One way of facilitating this is through grant funding local groups that make a positive difference in Littlehampton.

This document outlines the vision and intent of the Town Council's Grant Aid scheme, with clear criteria and requirements for those making an application.

### **Main Objectives**

The annual Grant Aid scheme aspires to support those groups and non-commercial organisations that closely align with the Council's vision for developing and providing long-term benefits for the residents of Littlehampton.

To help in achieving their goals the Council in its Business Plan has identified **5 key areas** as strategic priorities:

#### **Place**

A multi-centred sustainable town with **safe vibrant places** for people to come together

#### **People**

An **engaged community** that supports and helps everyone

#### **Provision**

**Accessible environmentally friendly services** reaching the broadest spectrum of people

#### **Partners**

Working with public, professional, community and voluntary organisations to ensure **better outcomes** for all

#### **Progress**

Clear evidence of aspirational **transformative actions** being taken to **improve the town and the quality of life**

Littlehampton Town Council gives grants to voluntary, cultural, charitable and sporting activities for the benefit of the local community. The Council will take into account the objectives of an association and the wider community benefit for Littlehampton arising from the grant when assessing its priorities.

## Littlehampton Town Council

### Grant Aid Policy

As well as acknowledging the **5 keys areas** above, applications must demonstrate one or more of the following:

- A project that looks to change and adapt the applicant's current service; becoming more resilient to respond to new and future challenges.
- A project that supports an identified need in the community, providing clear parameters on how the project looks to address that need.
- A defined benefit directly to Littlehampton residents with clear aims and objectives.
- Evidence for how deliverables will be reported and evidence to show how core aims and objectives have been met.
- Support for equality, diversity and inclusion; specifically disadvantaged and under-represented groups.

There is a limited budget each year for grants and the amounts requested often exceed the fund available. It is therefore important that applicants demonstrate how they align with the Council's aspirations and goals for the local area and its residents as set out in the Business Plan. **The main criteria can be found in Appendix A** and all potential applicants should ensure they have read this before making an application.

#### **General Conditions**

1. Clubs, societies or organisations must demonstrate the level of benefit that their service will bring to Littlehampton and its residents.
2. The applicant must declare the intended use of the grant and clearly define the wider community benefits derived from the funding.
3. Clubs, societies and organisations must submit constitutions, rules or other governing documents, names of officers and annual accounts where available.
4. Only one grant application will be considered for any resident, club, society or organisation in any one year. Organisations in receipt of a Service Funding Agreement from the Council will not be considered for additional grants.
5. Grants will only be made to non-profit making organisations supported by unpaid volunteers or not-for-profit schemes.
6. Any grant award that has been carried over from the previous year's Grant Aid programme will not be eligible to apply in this Grant Aid scheme.
7. All other sources of funding must be declared at the time of the application.
8. No grant shall exceed 20% of the total grants budget allocated annually by the Town Council.
9. Where funding is given for an event, the organiser must indemnify the Town Council against any claim from any party as a result of any incident or accident associated with the event. Where funding is awarded for any other purpose the Town Council cannot be held responsible or liable in any capacity.

## Littlehampton Town Council

### Grant Aid Policy

10. Littlehampton Town Council reserves the right to purchase items requested within the application for Grant Aid on behalf of any club, society or organisation.
11. There shall be no change to the intended use of the grant without express written authority of the Town Council.
12. Grants will not be awarded retrospectively. All grants must be spent within 12 months of being awarded.
13. Failure to achieve the specified purpose of the grant within 12 months or undertaking an unauthorised variation, shall require the recipient to return all the grant funding to the Town Council.
14. On completion of the project, invoices and receipts may be requested as evidence of all expenditure of the grant for the intended use for which it was awarded.

#### **Reporting and Acknowledgement**

15. In March the following year, or before this time if the grant has been spent, the recipient will provide feedback demonstrating the clear benefits or the achievements accomplished because of the award.
16. The Council may request confirmation that the funding has been spent on the intended purpose, for example by presentation of invoices or receipts.
17. If the group or organisation should dissolve or cease to exist any assets obtained from the Grant should either be returned to the Council or, in agreement with the Council passed onto a group with similar objectives.
18. The recipient shall acknowledge Littlehampton Town Council as funders on all correspondence and publicity material or display the Town Council's logo, where practical, on any items purchased in recognition of the grant funding from the Town Council.

#### **Process**

**The Town Council employs a tiered system for apportioning grant funding. This encourages long-term engagement between local service providers and the Town Council, whilst streamlining the process for administration and decision making.**

**This system allows organisations to move between tiers over time based on evidential achievements and benefits for the community.**

19. Littlehampton Town Council will set a budget each year for grants to fund organisations that undertake work or provide services of benefit to the town and its residents. The Grant Budget is agreed by Full Council in January.

## Littlehampton Town Council

### Grant Aid Policy

#### **Registration**

20. Organisations will be invited to register their interest in receiving a grant. The registration process will be opened in mid-January and be closed by mid-February, and promoted on the Town Council website, social media and local press.
21. At this stage there is no need to state your project or intentions for the grant. Registration is simply to confirm interest and provide supporting documentation for your organisation. **See Appendix B, Registration Form.**
22. Once the budget has been set and the registration process is complete, a Panel of Councillors from the Community Resources Committee will assign the amount of funding available for each tier, which will be shared equally by each successful individual organisation in that tier.

#### **Application**

23. Organisations that have met the criteria and been registered will receive confirmation and be allocated a tier based on the description in section 34, and invited to make an application up to the amount assigned to that tier. **See Appendix C, Application Form.**
24. To give groups time to decide on their projects, the application process will be opened four weeks after registration has closed until the end of April.
25. A registered organisation is not beholden to make an application.

#### **Assessment**

26. When the period for receiving applications has closed, each one will be reviewed by Officers and any further information will be sought at this stage, for clarity and completeness.
27. Officers will produce recommendations for a Panel, made up of Councillors from the Community Resources Committee, to confirm organisations' tier placement and whether any could be eligible for Service Funding Agreements.
28. The Grant Aid Panel's recommendations will be put to the Community Resources Committee meeting in June and decisions on the final awards made at that meeting. **See Appendix D, Terms of Reference for the Grant Aid Panel.**
29. Applicants will then be informed of the outcome of their application. If successful this communication will include expectations for acknowledging and reporting on their project's funding, and access to the Town Council's logo artwork.
30. Payments will be made once relevant bank details have been provided by the successful applicants.

## Littlehampton Town Council

### Grant Aid Policy

31. In March the following year recipients will be contacted to provide feedback and impact reports for their projects.
32. This information will contribute towards decisions regarding tier placement for returning applicants.
33. These reports will be collated into a final report for inclusion in the Community Resources Committee meeting in June of that year.

#### **Definition of the Tiers**

34. Registered organisations are allocated a tier based on the following descriptions:

- |               |   |
|---------------|---|
| <b>Tier 1</b> | For new groups or groups that have not received any funding from the Town Council in the past five years.   |
| <b>Tier 2</b> | For groups that have received funding on at least one occasion in the past five years for projects which have directly benefitted the community and that, on average, are under £500.   |
| <b>Tier 3</b> | For groups that have received funding on at least one occasion in the past five years that, on average, is £500 or over.  |
| <b>Tier 4</b> | This tier is only available every three years, the next opportunity being 2026.<br><br>This is a Service Funding Agreement for groups that have demonstrated consistent involvement in the community and whose objectives closely align with the Town Council's aims and objectives.<br><br>This service provider will have been identified by the Panel as a group with which they would seek to develop closer ties. Part of this would be realised through provision of a guaranteed amount of annual funding for an agreed length of time, commonly three years, with a review process at the end of this period as well as annual updates. |
